WHY PARTNER WITH US

As consumers and insurance professionals with over 30+ years of experience, Benefit Solutions by Design wants to help you grow your business. It is our goal to partner with Insurance Brokers to work collaboratively to find the best solutions, products, services, and understanding for their clients. We want to assist the broker to find the best benefit designs to suit their clients needs, now and into the future.

Peace of Mind is the cornerstone to ones' security and satisfaction when it comes to healthcare solutions. It's a relationship and partnership driven by a strong desire and commitment to making a difference in peoples lives. Benefit Solutions wants to be by your side to bring innovative solutions with top rated carriers to your portfolio. We believe in building trust and relationships with a solid commitment to service.

SOLUTIONS

Through education, training, understanding and creativeness Benefit Solutions by Design supports, consults and works with insurance agents on finding and creating the best solutions for the consumer.

PARTNERSHIPS

We work with the top carriers and agents, we pride ourselves on providing unique boutique solutions through our partners making us a leader in the industry. We have relationships with prestigious national associations, industry organizations, agents and affiliate partners to ensure we stay connected to the ever changing market.

COMPLIANCE

We pride ourselves with our implemented compliance practices and providing educational opportunities to ensure the protection of your clients privacy information. We provide training and education in both Security Awareness and HIPAA regulations and protocols.

OUR TEAM

Every service we deliver, every decision we make we do it with you and your clients best interest. Our Staff is dedicated to meeting your needs and putting you first. We want you to succeed and grow your business and we are committed to helping you along the way.

INNOVATION

For Benefit Solutions by Design innovation is not about doing something different, it's about doing it better than what our agents expect. We are always looking at how we can deliver unique insight and products that will make a difference in your product portfolio. We want to be your resource to introduce you to new products and support you with every step.

CORE VALUES

At Benefit Solutions by Design we strive for personal integrity and trustworthiness. We are leaders—founded on hard work, dedication, and the passion to make healthcare more accessible for individuals, families, employers and employees through agent distribution.

We are committed to making a real difference in peoples lives and provide that old fashion service that seems to be missing today.

It is our responsibility to help you navigate through today's benefit maze to meet and assist your clients needs. Helping you provide and present to your clients options based on their needs and financial abilities is one of our greatest assets.
